Electronic Delivery Statement

Nomination papers submitted electronically must be delivered in accordance with arrangements set out in this statement.

- By Email

Nomination Papers can be submitted by email to elections@monmouthshire.gov.uk within the timeframe allowed for delivery of nominations. Candidates are encouraged to submit their nomination for checking prior to its formal submission and can do so using the same email address. Candidates will need to be mindful of the size of the files they are submitting and ensure they are delivered successfully and are clearly legible. Candidates will receive an automatic response once the nomination paper has been received the Returning Officer. A follow up email will be sent to the candidate once the nomination paper has been processed and deemed valid.

- Using our online system

Candidates can submit nominations to us through our online nomination system accessible through My Monmouthshire. All instructions and requirements on submitting your nomination are provided as part of the process. When you submit the nomination paper, it will be initially submitted provisionally and once approved the relevant additional signatories will be emailed to carry out their actions required as part of the process. It will be the candidates responsibility to ensure all the necessary signatories are submitted before the close of nominations. If you need assistance with using the online system please contact the elections office on 01633 644212 or email elections@monmouthshire.gov.uk Once all signatories have been received the candidate will be emailed a confirmation that nomination is complete and valid.

Please note it is the responsibility of the candidate to ensure that the Returning Officer receives completed nomination forms in the correct way and by the required deadlines.

An electronic read receipt from the Returning Officer is not confirmation that the nomination is valid. The Returning Officer will send a notice to inform candidates of their decision as to whether or not their nomination is valid.
