SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

CONSTRUCTION

WORKS LOCATED WITHIN CANTREF ROUNDABOUT ON THE A40 - RISKS ASSOCIATED WITH WORKING IN PROXIMITY TO THE ROAD.

MAINTENANCE/CLEANING

AS ABOVE.

DECOMMISSIONING/DEMOLITION

AS ABOVE.

It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement

PLANTING PALETTE - ORNAMENTAL GRASSES

Stipa Calamagrostis - Silver feather grass
Winter interest
Drought-tolerant

Sesleria autumnalis - Autumn moor grass
Evergreen
Drought-tolerant
Structure

Allium hollandicum 'Purple Sensation' - Dutch garlic 'Purple Sensation'
Plant for pollinators
Spring / Summer interest
Drought-tolerant

Allium aflatunense - Allium syn aflatunense
Plant for pollinators
Spring interest
Drought-tolerant

Narcissus 'Rijnveld's Early Sensation' - Daffodil 'Rijnveld's Early Sensation'
Spring interest
Winter interest

PLANTING PALETTE - HERBACEOUS PERENNIALS

Achillea filipendulina 'Parker's Variety' - Yarrow 'Parker's Variety'
Plant for pollinators
Summer / Autumn interest
Semi-evergreen

Calamintha nepeta - Lesser Calamint
Summer / Autumn interest
Plant for pollinators
Semi-evergreen
Drought-tolerant

Centaurea scabiosa - Greater Knapweed
Summer interest
Plant for pollinators
Drought-tolerant

Nepeta racemosa 'Walker's Low' - Catmint 'Walker's Low'
Plant for pollinators
Early summer / Autumn interest
Drought-tolerant

Phlomis russeliana - Turkish sage
Summer / Autumn interest
Plant for pollinators
Drought-tolerant

Geranium 'Dilys' - Cranesbill 'Dilys'
Plant for pollinators
Summer interest
Drought-tolerant

DESIGN INTENT:

The Planting has been designed according to the following design principles:
1. Plants have been selected according to their drought-tolerance (which does not negate watering, but once the plants have established, it means that they are robust to withstand a degree of drought);
2. Plants are bee-friendly and have been selected according to their abilities to attract pollinators;
3. Seasonal interest has been provided through a selection of evergreen, semi-evergreen and seasonally flowering perennials and bulbs;
4. Hebe will provide a more formal design element (through its naturally rounded habit) to offset the naturalistic style of planting, so that it appears designed, rather than 'wild' - which can have negative connotations.

PLANTING PALETTE - SHRUBS

Papaver orientale - Oriental poppy
Late spring to early summer interest
Drought-tolerant
Attracts butterflies

Hebe 'Green Globe' - Shrubby Veronica 'Green Globe'
Evergreen
Provides structure
Low-maintenance
