REQUEST FROM FRIENDS OF LINDA VISTA GARDENS -TREE LABELS

ATC have been contacted by Friends of Linda Vista Gardens about producing tree labels for the arboretum in Linda Vista. The picture below shows what they're after. Two quotes have been obtained, using their own art-work for the labels. One, from Ottimo Digital in Newport, and the other from Get Noticed in Frogmore St here in Abergavenny. Ottimo are producing a notice board showing a plan of the arboretum, for which FoLVG have accepted their quote some months ago and have already covered the funds for this. Per label, Ottimo's quote is £30 + VAT, Get Noticed £4 +VAT. Ottimo's possibly includes mounting posts, though not sure what these would be made of. Get Noticed don't supply mounting posts. There are 33 trees, so totals would be Ottimo £990 + VAT and Get Noticed £132 + VAT + posts. The labels are approx. 100x150mm.

Nigel Leaworthy from MCC Grounds has agreed to supply the mounting posts should ATC decide to support the lower quote.
