

POLICY & RESOURCES COMMITTEE

WEDNESDAY 13TH NOVEMBER 2019

PAYMENT OF SPECIFIC ALLOWANCES

1. PURPOSE OF THE REPORT

- 1.1 To agree the pro rata payment of specific allowances for Committee Chairs.

2. BACKGROUND

- 2.1 In June 2019, as part of the report on changes to the committee structure, it was agreed that Committee Chairs are paid the IRPW specific responsibility allowance.

3. PROPOSAL

- 3.1 As the changes to the Committee structure commenced September 2019 it would not be appropriate to make the full annual allowance payment of £500 to each Chair. Also prior to the changes to the Committee structure, positions of Chair of Finance and Events Committee were in place.
- 3.2 Therefore it is proposed that the following allowance payments are made on a pro rata basis for the transition year 2019/20:
- Former Chair of Finance Committee (5 months) £208
 - Former Chair of Events Committee (5 months) £208
 - Chair of Policy & Resources Committee (7 months) £292
 - Chair of People & Communities Committee (7 months) £292
 - Chair of Environment Committee (7 months) £292

4. RECOMMENDATIONS

- 4.1 To agree the payments set out in 3.2
