

ABERGAVENNY TOWN COUNCIL
ENVIRONMENT COMMITTEE MEETING
WEDNESDAY 20TH DECEMBER 2022

PSPO RESPONSE

1. PURPOSE

1.1 To consider a collective response to the draft PSPO consultation from MCC.

2. BACKGROUND

2.1 MCC have been working towards a countywide Public Spaces Protection Order which will cover dog fouling and dog control across sports pitches, school grounds, parks, and other green spaces.

2.2 After public consultation on what the public would like to see included in this, a draft was circulated for comment by January 2023.

3. PROPOSAL

3.1 Two submissions were presented to Environment Committee on 30th November 2022. Councillors resolved to amalgamate these to send as one response to the consultation.

3.2 The Town Clerk has read through both proposals and is recommending that both are submitted on behalf of ATC to show tow committees have considered the implications of this PSPO. The representations will be from both Environment and People and Communities Committees respectively.

4. RECOMMENDATION

4.1 To read through both responses from Cllrs Konieczny and Jones.

4.2 To accept the recommendation that both be submitted on behalf of ATC to give a more rounded and full response to this important consultation.
