

ENVIRONMENT COMMITTEE

WEDNESDAY 26TH JANUARY 2022

PUBLIC TOILETS SERVICE LEVEL AGREEMENT WITH
MONMOUTHSHIRE COUNTY COUNCIL.

1. PURPOSE OF THE REPORT

- 1.1 To consider the request for a Service Level Agreement with Monmouthshire County Council for the provision of three Public Toilets in Abergavenny.

2. BACKGROUND

- 2.1 The Town Council sent a first draft to Roger Hoggins, Jan Baldwin and Debra Hill-Howells for consideration on 9th March 2021. To date, no response has been received to meeting requests to discuss this further.
- 2.2 Meeting held between Roger Hoggins, Jan Baldwin and Debra Hill-Howells from MCC with Town Clerk on 26th October 2021 to discuss a way forward to reach an agreement on the SLA for the toilets.
- 2.3 Draft shared with Debra Hill-Howells at Roger Hoggins request for her to review and alter agreement draft and return to ATC for further discussions.

3. PROPOSAL

- 3.1 To date no further communication has been received from any parties at MCC regarding the SLA. Town Clerk proposes writing to request an update and request another meeting with these officers as soon as possible.

RECOMMENDATIONS

- 4.1 As the budget for 2022/23 has had to be set without any update on possible increase to costs for these services, and in light of this having being ongoing for so long, the Clerk would like to assist the Chair of the Environment Committee in writing on behalf of Abergavenny Town Council to officers at MCC regarding the SLA and lack of communication to date.
