- 1.1 To receive updates on actions arising from the previous meetings

2. UPDATE

Christmas Lights

- 2.1 Proposal was agreed at People and Communities Committee on 3rd November 2021 to go forward with a virtual switch-on event. Local film-makers and videographers are being asked for quotes to produce a short film which can be streamed on social media and our website. Grant funding has been applied for towards the costs of this, and also for additional decorations for Nevill Street and St Johns Square businesses to create a 'Reindeer Quarter' alongside the new light installation of the Squashed Reindeer.

Town Team

- 2.2 The newly liveried van should be available next week for an official launch. The team are in regular contact with the office, and respond quickly to any issues raised. They are reporting back on the continued graffiti issue in town, and this is enabling fast reporting to Andrew Mason at MCC. A maintenance and planting schedule will be discussed with the contractors who look after the planters and beds around town to ensure the Town Team have the right knowledge on what is being planted to enable efficient maintenance to be carried out.

3. RECOMMENDATION
