Abergavenny Town Council

**SOCIAL MEDIA
CONTENT PLAN**

Guidelines

For Social Media

Informing, Engaging, Educational

Social Media posts will inform people of the wonderful work that Abergavenny Town Council are doing including topics like Abergavenny in Bloom & Britain in Bloom. Content will be engaging and fun, using a mix of media including videos and stills. Educating the audience will be a key aspect of the posts, helping to raise awareness for important causes.

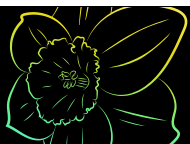

Topic Ideas

For Social Media

- **Meet the Councillors**
- **What's on feature / events**
- **Community posts i.e. school engagement, volunteers, etc.**
- **Active Abergavenny**
- **Environmental**
- **Announcement of Meeting Dates**
- **Elections**
- **Small Business Support**

Abergavenny
In Bloom

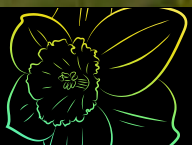

Cyngor Tref Y Fenni
Abergavenny Town Council

The post messages should have a friendly and inviting tone, balancing professionalism. They should be informative, offering useful information in a concise and understandable manner, ensuring readers are well-informed.

The images and videos should be vibrant and lively colours aiming grab viewers' attention in order to generate interest in the content.

COSTING 2023

12 MONTH RETAINED CONTRACT

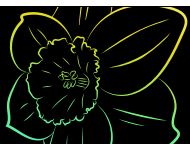

TheMedia.Agency would become an extension to your team and every month YOU will benefit from the following:

- Social Media Content Management
- Videography and Editing
- Photography
- Website Content Management

Our job will be to work with you to create content for your social media channels with the aim to increase audience engagement and growth. We will work one month ahead, creating promotional videos, photography, and also scheduling content directly provided to us by members of the council.

£1,500 per month

30 hours per month

The Future

Moving Forward and Growing

As a collective we need to agree on the social media strategy. Map out key dates and events that need coverage media support. We can also start to create the images and videos for the pre-planned topical days.

From there we then we will provide HeyOrca training allowing you to approve all content before it goes live. We will also provide social media request form, so that anyone from within the council can request a social media post.
