CULTURE WITHIN THE LANDSCAPE

BLORENGE

SUGAR LOAF

SKIRRID

Dear Friend,

Abergavenny is a town held by its landscape. Surrounded by the Sugar Loaf, Skirrid and Blorengae, it brings together market life, independent spirit, local food, heritage, creativity and community. This is culture within the landscape: a place shaped by its peaks, its people and the stories that continue to grow here.

Wish you were here.
