

We plan to hold peace events for the anniversaries of the Hiroshima and Nagasaki bombings. We want to help children understand the importance of peace and provide our community with an opportunity to reflect on it!

Why don't you host exhibitions offered by Mayors for Peace?

Member Cities' Past Exhibitions

Chofu, Tokyo

I created this work hoping that the peaceful days, when we hold hands with our family and people around us and smile together, will continue forever.

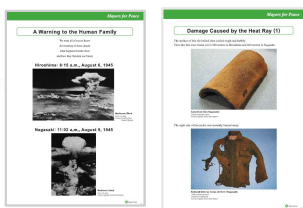

We just need to print the materials! It seems easy!

After the exhibition ends, please send us a report of the event along with pictures. We look forward to your participation!
